## POLICIES

### ADMINISTRATION:

The Youth Services Manager and the Youth Services Programmer work out of the Craig Avenue Recreation Center in Vinton, and the Site Supervisor works on-site at the camp. The Site Supervisor is responsible for supervising the KIC Program as well as Activity Leaders and Aides at Penn Forest. The Site Supervisor is directly supervised by the Youth Services Programmer.

### ADMISSION & REGISTRATION:

KIC is designed especially for children entering 1st-5th grades in the 2019-2020 school year. The daily schedule includes time for crafts, cooking, play, field trips and individual or small group activities. Program space is limited to 50 per week. Each child must be enrolled for the full week. Children must be registered with a completed registration form. A separate registration form is required for each child. **Incomplete registration will not be accepted.** Any questions or concerns regarding registration please contact **Zach (540) 857-5036.**

## KIC CELL PHONE:

KIC staff may be reached during camp hours by calling the KIC cell phone, during the morning at 309-0363, afternoon, 537-6438. The cell phones are for emergency purposes only and only to be used in the event that you will be late picking up your child, someone else will be picking your child up other than you or for our staff to contact you if your child is ill or has had an injury.

## ACTIVITIES:

Daily activities at KIC include gym or playground time, snack time, field trips, arts & crafts, time for quiet activities, and group or self-directed activities. A daily schedule is posted at KIC. Parents may be asked to provide some household/throw-away items for crafts projects (boxes, paper or plastic bags, plastic bottles, bottle caps, egg cartons, etc).

## ATTENDANCE:

KIC staff are responsible for all children from the time they are dropped off until they are picked up. If your child will not be attending KIC on a particular day, it is **imperative** that the Youth Services Office be notified by voice mail at **857-5035** before 8:00am, so that the information can be passed on to KIC staff.

## BEHAVIOR:

The KIC Program supports a positive, authoritative approach to guiding behavior. Using age-appropriate limits and choices, children are encouraged to take responsibility for their role in the classroom community. Staff communicates with parents regularly, discussing their child's successes in the program. Staff also keeps parents informed, both verbally and in writing, of how their child's needs are being met in KIC.

In the event disciplinary action is necessary in addressing a child's behavior, staff will communicate with parents regarding the behavior issue and work with parents to help resolve the situation. The disciplinary process may include time out, taking away privileges (such as participation in a special program or activity), parent conference and possible suspension, or under serious circumstances, removal from the KIC Program. NO corporal punishment of any kinds will be used in the KIC Program.

## DISABILITIES/SPECIAL NEEDS:

Roanoke County Parks, Recreation & Tourism does not discriminate against

persons with disabilities. In accordance with the Americans with Disabilities Act, every effort is made to make reasonable accommodations to meet special needs. The Therapeutic Recreation Services staff will provide KIC staff with any training and guidance necessary to allow a child with special needs to have a positive experience in KIC.

### DROP-OFF & SIGN-IN:

Children may be dropped off between 7:30 and 9:00am each day. Parents must bring children into the camp building and sign them in at the time they arrive each day. KIC staff will provide child care activities during this time. Camp activities will begin at 9:00am each day unless otherwise notified.

### DISASTER/EMERGENCY PLAN:

In case of a disaster or emergencies, remain calm. **Remember, children will react as you react.** Sound the alarm. (One horn blow for fire to exit the building, two horn blows to come in from outside). Disaster may include tornado, hurricane, chemical spill or intruder.

Know the Evacuation Point at your KIC Site (In case of Fire, Bomb Threat, etc.)—Conduct an immediate head count of participants to ensure everyone is accounted for. Locate entrances and exits. Make sure you have the Sign-In, Sign-Out Book, Participant Files, any healthcare supplies (epi-pins, diabetic supplies, etc, and cell phone and battery operated radio. **DO NOT MAKE ANY UNNECESSARY PHONE CALLS, KEEPING THE PHONE AVAILABLE WHEN NEEDED FOR TRUE EMERGENCY.** Do not re-enter the facility until told to do so by Emergency Personnel (Police, Fire, Rescue, Emergency Officer).

Roanoke County Parks, Recreation and Tourism Department's Kids In Camp Program recommends that in the event of an emergency or disaster, parents do not try to pick up their children until instructed by Emergency Services to do so. Sometimes the safest place might be the school itself.

## EMERGENCIES/EMERGENCY CLOSINGS:

All children must be picked up inside the site, signed out at the time they are picked up and escorted from the site by the person picking them up.

KIC ends at 6:00pm. Two KIC staff remain at each site until all children are picked up by a parent or other person on the pick-up list. After the first 10 minutes

that a parent is late, staff will begin trying to contact parents and/or other persons on the pick-up list. If your child has not been picked up by 7:00pm, Child Protective Services will be contacted to provide care for your child.

Each family is allowed one 15-minute "free" late pick-up during 2017 KIC. After this one "free" late pick-up has been used, parents will be charged \$1.00 per minute per child for each minute they are late. This late fee is due immediately when the child is picked up. On the 3<sup>rd</sup> instance of late pick-up parents will be charged \$5 per minute per child for each minute they are late. After 3 instances of late pick up (including the first "free" one), parents will be asked to make other arrangements for their child for the remaining weeks they are enrolled in camp.

**CUSTODIAL PARENT:** A custodial parent shall be allowed to visit with their child at ASK once their identification has been confirmed by the participant file and the parent's picture identification has been verified. (§63.2-1813 of the Code of Virginia).

#### REMOVAL FROM CAMP:

The Youth Services Manager may remove children from KIC for one of two reasons: chronic behavior problems (see "BEHAVIOR") and failure to pay (see "FEES").

Parents wishing to remove their child from KIC must provide a written notice to the Youth Services Office, at least two days prior to their child's last day in KIC. Children will remain enrolled in KIC and parents are responsible for fees until this written notice is received.

#### CAMP SPACE:

Children in KIC will be allowed to enter only those areas designated for use during KIC (generally, this is limited to the gym, cafeteria and bathrooms).

#### SICKNESS OR INJURY:

If, during the routine daily health assessment, or at any time during the KIC day, a child has a fever of over 100° or has a communicable disease, he will not be permitted to participate in KIC that day. A parent or guardian will be notified as quickly as possible so that the child may be picked up. Sick children may be picked up by parents or a person on their pick-up list. A child having a communicable disease will not be permitted to return to KIC until appropriate action as described in the "Communicable Disease Chart" (ie: note from physician) has been taken. A copy of this chart can be found in the site Blue Book. All communicable diseases will be reported to the local Health Department.

In the case of an accident or injury, all KIC staff are trained in CPR and basic first aid. The local Rescue Squad will be called for serious injuries. A parent will be notified promptly and the child will be transported to the nearest hospital accompanied by a KIC staff member.

We require that parents inform KIC within 24 hours or the next business day after their child or any member of the immediate household has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening disease which must be reported immediately. If parents have questions, they should talk with KIC staff on site to discuss the Communicable Disease Chart or contact the KIC Administrative Office at 857-5035, 5036, or 5037.
